## **PURCHASING OF OUR STAFFORD PUPPIES**

Please keep in mind that “blue Stafford puppies” are not better in any way whatsoever from the black, red, brindle, white Stafford puppies. The only reason the price on Blue puppies are so much more than our other Stafford’s, is purely because we had to import our blue lines to be able to produce our own line of blue puppies.

## **HEALTH GUARANTEE**

The seller certifies that, upon receipt, the dog is in good health and has been Microchipped, Immunised and dewormed according to the accompanying health record as said Staffordshire bull terrier.

The buyers agree to have the dog examined by its veterinarian at its expense within 2 days from date of purchase. If the veterinarian does not give the dog a clean bill of health, the buyer must notify the seller immediately. Seller reserves the right to have the dog re-examined by its own veterinarian at its own cost.

Any condition that is minor, correctable or a breed related minor condition is not covered and no condition which could go away, or is considered to be a condition which a puppy will likely grow out of is covered.

If the dog is then found not to be in good health, Seller will resume possession if this is agreeable to both parties. Seller does not accept responsibility for contagious disease diagnosed after 2 days from date of purchase.

## **RESTRICTIONS ON BLUE PUPPIES**

All blue puppies are sold as Pets only and not for any breeding purposes.

LIMITED KUSA registration: Offspring CANNOT be registered with the KUSA.

The purpose of limited registration is to encourage spaying/neutering and reduce the number of unwanted and unplanned puppies and dogs put to death every year in animal shelters and also to protect our blue line from backyard breeders etc.

## **TRANSPORT OF PUPPY**

The Buyer will be responsible for any/all transportation costs should he/she not be able to collect the puppy from the Breeder’s home.

Should the Breeder have to make any transport arrangements these monies should be paid into the Breeder’s account before the Puppy is transported.

# Perotorey Kennels

Although all possible care will be taken with the Puppy's transport the Breeder cannot be held responsible for any accidents/death of the Puppy as a result thereof.

## **THE BUYERS RESPONSIBILITY:**

The Buyer agrees to take good care of this dog, feed and house the dog properly, maintain shots, control the dog on a harness or leash when in public and when on the premises of the dog's home.

The dog's outdoor area will be fenced in and secure or acceptable provisions will be made to assure the dog is safe any time he/she is outdoors.

Buyers agree to give the dog proper physical and emotional care and welfare.

The death, injury or loss of said dog due to theft, carelessness, recklessness, abuse, neglect, heat stroke or accident will not entitle the buyer to any compensation from the seller.

This dog is warranted only for the purpose of being a companion animal, not for any other purpose or reasons.

No warranty is given to the buyer for any special purpose or function of this dog.

This dog is not to be used for any illegal or immoral activities and is not to be used for any type of BREEDING, dog fighting or any mass money making operation.

In the event the buyer is unable to keep this dog for any reason, the Buyer agrees to offer to the Seller the first chance to take this dog back, in the event of a re-sale the Buyer must notify the Seller with the new name and address of the new buyer and it must be approved by us first.

Buyer agrees not to sell this dog to any retail company or establishment. Any changes to this contact must be in writing and signed by both parties.

The contract is legal and may be enforced by legal means at the buyer's expense.

The care and feeding instructions will be given to you along with the shot records for this dog.
